

# Information on the Entry Procedures to Korea

As of April 1, the Korean government will implement strengthened procedures regarding the quarantine management of overseas arrivals in South Korea. We ask for your full cooperation; please follow the instructions below.

## 1. At the Airport

### ※ During Check-in

Korean Nationals / Foreigners (Long-Term Visitors)	Foreigners (Short-term Visitors)
<p>① Download the <b>'Self-Quarantine Safety Protection App'</b></p> <p>&lt;Android&gt;  &lt;iPhone&gt; </p> <p>ID : CORONA (All caps)</p>	<p>① Complete the <b>'Agreement to Facility Quarantine'</b></p> <p>Short-term visitors who do not have a specific residence in Korea must undergo a 14 day quarantine period at an isolation facility designated by the Korean government. The service charge for the isolation facility is at your expense and costs a total of 1.4 million won (100,000 won per day). If you agree with the above, please complete and submit the Agreement to Facility Quarantine given by the Asiana staff. If you do not agree, you will be restricted from checking onto the flight.</p> <p>② Download the <b>'Self Diagnosis Mobile App'</b> </p>

### ※ Prior to boarding

All passengers will be subject to thermal testing.  
Passengers with temperatures exceeding 37.5°C will be denied boarding.

## 2. During the flight

Please follow our flight attendants' instructions to fill out and complete the **Health Declaration Form** and a **Travel Record Declaration**. Please keep your mask on for the duration of the flight.

## 3. Upon arrival in Korea

Passengers will be categorized as those **with** or **without** symptoms and be subject to the quarantine process accordingly. Please follow the instructions of the quarantine staff.

### ※ Transportation Information

- Private vehicle or Airport Bus departing at the EXIT 13(1st Floor) are the only transportation allowed to use
- Domestic flights : Only Jeju residents are permitted to board Gimpo → Jeju flights.
